**Public Letter of Reprimand**

On July 19, 2016, the Delaware Medical Board issued a Final Board Order against your license whereby you were issued a letter of reprimand and required to pay a civil monetary penalty of \$500. In addition, your license will be audited for the license renewal of 2017. The Delaware Medical Board found that you did not fully comply with the Continuing Medical Education (CME) renewal requirements and falsely attested to having completed the required CME.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.
